Classes Slated On Feb. 3 for Kindergartners

Torrance Evening High School will open a new unique observation class for parents and four-year-olds who will be eligible for kindergarten in September, 1958, and will be geared toward preparing children for kindergarten.

The class will be held in two locations from 12:30 to 3:30 p.m. at McMaster Park, 3624 W. 174th St., on Tuesdays, and El Retiro Park, 126 Vista del Parque, on Wednesdays.

Supervised Play
Children will have oppor-
tunities for creative expe-
riences and supervised play
with others their own age. Par-
ents will observe activities
and learn an objective ap-
proach to child observation.
Discussion of problems related
to child-rearing will be carried
out under a teacher qualified
to assist in their solution.

Written reports will be kept
during the afternoon, noting
the child's actions and reac-
tions in his relationship with
other children and adults in
the class. During the discus-
sion period, growth and de-
velopment as well as specific
problems on personal health
habits, feeding, sleeping, disci-
pline, sibling rivalry, suitable
toys, play activity, etc., will
be discussed at length.

This observation will show
many of the ways children
grow, learn to share, and con-
form to routines. They will
learn, among other things,
words that work with young
children, and better, simpler
methods of control.

Each child is to bring a
share toy, a blanket to rest on,
and an apron. On the day of
the class each parent is urged
to provide a quiet morning
period preferably with little
stimulation, and a long rest
period in order that the young-
ster will not become over-tired
by the afternoon's activities.

There is a class for other
pre-schoolers, ages 2 1/2 to kin-
dergarten, at 9 a.m. at the
same park on the same days.

These classes will begin the
week of Feb. 3. For further
information call the Adult Edu-
cation Office.

Two Injured In Accident

Two men received minor in-
juries in an accident early Sat-
urday at 174th St. and Arling-
ton Ave.

Taken to Harbor General
Hospital and later released
were Robert Isama Fujii, 23,
of Gardena, and his passenger,
Jim Nagaoaka, 21, of 17015
Denker Ave. Nagaoaka was
thrown from the car by the
impact of the crash.

The other driver, Harold
Winfred Jagger, 39, of Los
Angeles was cited by local
police for failure to yield the
right of way and failure to
stop at a stop sign.

SLIM CLASSES MEET EACH WEDNESDAY

It's fun to trim off those
excess pounds to music, mes-
sengers of a slimming class at
Normandale playground claim.
Women of the area have
been especially invited to the
"slim and trim" class each
Wednesday morning from
10:30-11:30 at the playground,
22400 Halldale Ave.

With Mrs. Norma Dobrick at
the piano, the classes are led
through their gentle slimming
routines by Mrs. Yvonne Wil-
liams. The course is conducted
without charge for all women
—even small children are wel-
comed.
